Session 2: *Power & Lightning (Surge)*

Protection

February 17, 2021

Mission

- Striving to produce the best lightning protection and grounding solutions possible.

Training

- HU

- Lightning Protection
- General bonding & Grounding
- Exothermic certification
- Wireless and telecommunications
- Ground testing

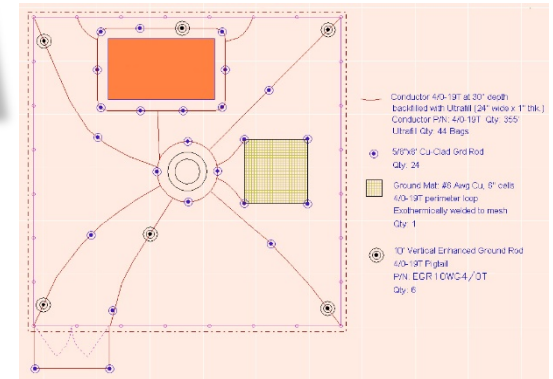

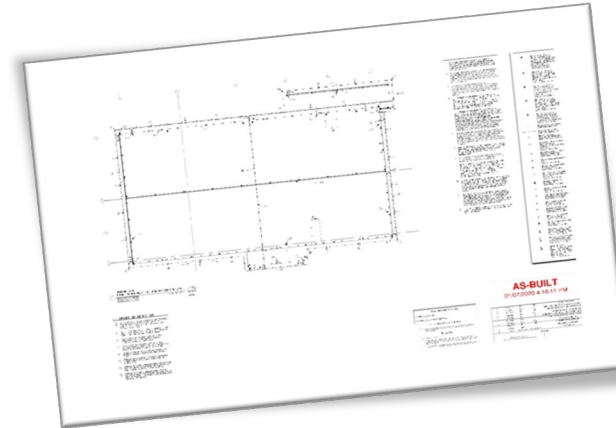

- Standards Involvement

- Motorola R56
- NFPA 780
- TIA 607
- IEEE
- Many others

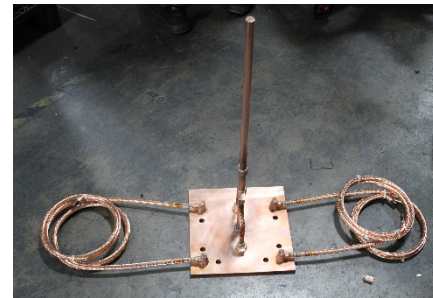

Field Services

- Design, takeoff, and consulting
 - Lightning Protection
 - Grounding
- Audits
- Specifications and details

Products

- Lightning Protection
- Grounding
- Exothermics
- Custom capabilities
- Fast Lead times

 Thank You
